

Introduction:

Namaskar!!

It's me Karan Aryal. Currently Studying Bachelor in Information Technology(BIT) at Phoenix College of Management & IT, maitidevi. Vary curious in learning ML/AI and want to disappear in tech field.

Learned:

I have learned Python & it's libraries: numpy, pandas, seaborn & matplotlib(not deep).

Love to:

Learn AI/ML, explore in tech field.

TO be in:

I want to work in the field of AI/ML.

My secrete:

Life is only my secrete. There is not more secrete in my live.
