

Radhe Krishna Sah

It's me Radhe Krishna Sah from Mirchaiya-06-Siraha. Currently Studying Bachelor in Computer Science Engineering from Aryan School of Engineering. And as a skill I am learning a Data Science Course in Phoenix College. I am a Second Semester Student.

I am very Passionate about the Technology and I have also completed a full stack web development from the Apna College and also made a project of AirBnb website which generally used to find the hotel and resort near by them. Currently I am exploring in Data Science.
